

Submitter: David Wall

On Behalf Of: Mr Oregon Opposes HB 2805

Committee: House Committee On Emergency Management, General Government, and Veterans

Measure: HB2805

I OPPOSE [HB 2805]...as written.

Too complex for small groups. [HB 2805] should be unwound into several pieces of related Legislation.

If [HB 2805] is Enrolled: There will be significant increases in Ethic's Commission organizational structure and budgetary allocations.

If [HB 2805] is Enrolled: Immediately retain competent Government Ethics Attorney(s).

Adapts modernization of "Public Meetings Technologies." For example, "Zoom meetings, conference type calls and et cetera."

---Creates, "The slippery slope:" very easy to slip and fall into the penalty box.

*Review the Text of [HB 2805]: [Page 2, Lines (40-45)] and [Page (3), Line (1)].

--Provides violators of Ethics Laws to enjoy a convoluted road to salvation.

--Absent any redemptive protections, Personal liabilities are imposed:

---"Heads will be taken and served-up on platters."

*Review the Text of [HB 2805]: "SECTION 12. [Page (12), Lines (5-38)]"

Mr. Oregon Concurr...There are many good areas of [HB 2805]. I like the "Taking of Heads" part.
