

Submitter: Zipporah Underhill

On Behalf Of:

Committee: House Committee On Climate, Energy, and Environment

Measure: HB3158

Rural Oregonians cannot afford any more taxes. The farming community is still reeling from the huge increase in fuel and fertilizer. We cannot charge more for the product we produce or pass the extra costs down the line. Every extra penny spent on increased taxes and production costs is money taken from our bottom line. We are already suffering the effects of Cap and Trade. Please vote NO!!!
