

Submitter: Philip Mandel

On Behalf Of:

Committee: Senate Committee On Rules

Measure: HCR8

Shelters and rescues across the state are largely at capacity and full of wonderful, family-ready pets! When families adopt from rescues and shelters, everyone wins: The animal gets a place to call home, the adopter gains a new family member, the burden on our overcrowded shelter and rescue system is eased, making room for yet another rescue pet in need. It's time for Oregon to make the rescue shelter pet Oregon's official state pet! Please be sure to SUPPORT HCR 8 and designate rescued shelter dogs and cat as the official state pet!
