

Submitter: Frederick Ritter

On Behalf  
Of:

Committee: House Committee On Emergency Management, General  
Government, and Veterans

Measure: HB2601

I am a PERS retiree and strongly object to continued investment in fossil fuels. There are no easy answers going forward; but we have a moral obligation to divest PERS from all fossil fuels. Please pass HB 2601. Give some proper guidance to Treasury. Thank you. Frederick Ritter
