

Submitter: Shauna McKain-Storey

On Behalf  
Of:

Committee: House Committee On Agriculture, Land Use, Natural Resources, and  
Water

Measure: HB2903

Please allow our state agencies to get to work on supporting our marine reserves. If there's any hope of having making fishing and other ocean based industries sustainable long-term, we need to support marine science and understand how to maintain healthy ecosystems on our coasts.
