

Submitter: Michael Collins  
On Behalf Of:  
Committee: Senate Committee On Health Care  
Measure: SB704

Honorable Senate Committee on Health Care,  
I am writing in support of SB704. The importance of health care is paramount in the health of our citizens of the state of Oregon. By having a Universal Health Care Governance Board, this will ensure that all Oregonians are protected and afforded equal health coverage without disparities. A healthier Oregon will improve economic growth, mental and physical stability and stature and will improve the lives of generations to come. I urge your support for Senate Bill 704. Thank you for allowing my testimony on this very important subject.

Sincerely,  
Michael Collins
