

Submitter: Rick Coates
On Behalf Of: Self
Committee: Senate Committee On Health Care
Measure: SB704

Greetings,

I am an Oregonian over 65 and believe the benefits of single payer should be available to all, hopefully in a better form than Medicare.

My son has been on the Oregon Health Plan which has been a great experience, his coverage is better than mine.

Let's make this available to all Oregonians!

Thanks,

- Rick
