

Submitter: Jason Brown

On Behalf Of:

Committee: Senate Committee On Health Care

Measure: SB704

Dear Oregon Legislators,

We know from the past 4 years of ongoing, multifaceted health crises, that medical needs are not just life-interrupting, but community- and economy-altering. Say YES to comprehensive Oregon Health Care so that Oregonians can feel more secure, that communities can feel safer, and so that we can connect, heal, and thrive together.

To our health,
Jason Brown
