Measure: HB2556

I urge your support for HB 2556. Employers must provide plain language explanations for deductions on an employee's paycheck. By requiring employers to provide plain language explanations for deduction, workers can better understand their paychecks and easily point out and address errors.

Mistakes in deductions are common, and without a transparent paystub, mistakes are less likely to be caught. By requiring employees to provide a plain language explanation of their paycheck deductions, workers will have a better understanding of their finances.

Thank you.
