Measure: HB3206

This is a voting grab. We have rules in place for driving, buying substances, such as alcohol and tobacco, and voting.

There is currently immediate necessity to allow 16-17 year olds to vote for school board elections.

The responsibility of voting comes with following the rules as set forth, not bending the rules to achieve what those in power are wanting.

I urge you to oppose this legislation as it definitively looks to manipulate the system.
