

Submitter: Yesenia

On Behalf Of:

Committee: House Committee On Business and Labor

Measure: HB2556

Dear lawmakers,

I am writing to express my support of HB 2556, which will require employers to provide paystubs that explain deductions in plain language. By requiring employers to provide plain language explanations for deduction, workers can better understand their paychecks and easily point out and address errors.

Workers should be able to read and understand their paychecks. Requiring a transparent paystub allows employees to understand where their wages are going.

Thank you. Please pass this bill!
