Measure: HB2556

Dear lawmakers,

Please SUPPORT HB 2556. This bill would require deductions on paystubs to be explained in plain language. By requiring employers to provide plain language explanations for deduction, workers can better understand their paychecks and easily point out and address errors.

Mistakes in deductions are common, and without a transparent paystub, mistakes are less likely to be caught. Paycheck readability will go a long way towards preventing mistakes in wage deduction.

This is a good bill and should pass.
