

Submitter: Adam Udy

On Behalf Of:

Committee: House Committee On Business and Labor

Measure: HB2556

To the Business and Labor Committee:

I urge your support for HB 2556. Employers must provide plain language explanations for deductions on an employee's paycheck. HB 2556 requires employers to explain in plain language the amount and reason for a deduction on a worker's paycheck.

When a paycheck obfuscates the reason for a deduction, it becomes very difficult for a worker to identify and address an error. By requiring employees to provide a plain language explanation of their paycheck deductions, workers will have a better understanding of their finances.

Thank you for your time. Please pass this legislation.
