Measure: HB2556

Dear lawmakers,

I urge your support for HB 2556. Employers must provide plain language explanations for deductions on an employee's paycheck. This bill helps workers understand their paychecks and address any incorrect issues with deductions.

Mistakes in deductions are common, and without a transparent paystub, mistakes are less likely to be caught. With paycheck readability, workers can better understand and advocate for fair and correct wage allocations.

Thank you for your time. Please pass this legislation.
