Measure: HB2556

Dear lawmakers,

I urge your support for HB 2556. Employers must provide plain language explanations for deductions on an employee's paycheck. By requiring employers to provide plain language explanations for deduction, workers can better understand their paychecks and easily point out and address errors.

Workers should be able to read and understand their paychecks. Requiring a transparent paystub allows employees to understand where their wages are going.

This is a good bill and should pass.
