Measure: HB2556

Dear lawmakers,

I urge your support for HB 2556. Employers must provide plain language explanations for deductions on an employee's paycheck. HB 2556 requires employers to explain in plain language the amount and reason for a deduction on a worker's paycheck.

Workers need to understand how their wages are allocated and processed, but currently many paystubs are deliberately opaque. Requiring a transparent paystub allows employees to understand where their wages are going.

This is a good bill and should pass.
