Measure: HB2556

Dear lawmakers,

VOTE YES on HB 2556, which will require employers to explain deductions on paystubs in plain language. By requiring employers to provide plain language explanations for deduction, workers can better understand their paychecks and easily point out and address errors.

Workers need to understand how their wages are allocated and processed, but currently many paystubs are deliberately opaque. Paycheck readability gives workers a stronger financial understanding and security.

This is a good bill and should pass.
