Measure: HB2556

Dear lawmakers,

I urge your support for HB 2556. Employers must provide plain language explanations for deductions on an employee's paycheck. This bill helps workers understand their paychecks and address any incorrect issues with deductions.

When a paycheck obfuscates the reason for a deduction, it becomes very difficult for a worker to identify and address an error. Paycheck readability will go a long way towards preventing mistakes in wage deduction.

Please pass this bill!
