Measure: HB2556

To the Business and Labor Committee:

I urge your support for HB 2556. Employers must provide plain language explanations for deductions on an employee's paycheck. By requiring employers to provide plain language explanations for deduction, workers can better understand their paychecks and easily point out and address errors.

Workers need to understand how their wages are allocated and processed, but currently many paystubs are deliberately opaque. Paycheck readability will go a long way towards preventing mistakes in wage deduction.

This is a good bill and should pass.

Thank you.
