Committee: House Committee On Business and Labor

Measure: HB2556

To Legislators:

I urge your support for HB 2556. Employers must provide plain language explanations for deductions on an employee's paycheck. By requiring employers to provide plain language explanations for deduction, workers can better understand their paychecks and easily point out and address errors.

Workers need to understand how their wages are allocated and processed, but currently many paystubs are deliberately opaque. Paycheck readability gives workers a stronger financial understanding and security.

Thank you. Please pass this bill!
