Committee: House Committee On Business and Labor

Measure: HB2556

Dear lawmakers,

VOTE YES on HB 2556, which will require employers to explain deductions on paystubs in plain language. By requiring employers to provide plain language explanations for deduction, workers can better understand their paychecks and easily point out and address errors.

Many Oregonians live paycheck to paycheck, and a mistake on their paycheck could mean the difference between making rent or not. Paycheck readability gives workers a stronger financial understanding and security.

Thank you.
