Measure: HB2556

To the Business and Labor Committee:

I am writing to express my support of HB 2556, which will require employers to provide paystubs that explain deductions in plain language. By making paystubs more readable, HB 2556 makes it easier for employees to identify errors in their paychecks.

Workers need to understand how their wages are allocated and processed, but currently many paystubs are deliberately opaque. Paycheck readability will go a long way towards preventing mistakes in wage deduction.

This is a good bill and should pass.
