Measure: HB2556

To Legislators:

I urge your support for HB 2556. Employers must provide plain language explanations for deductions on an employee's paycheck. HB 2556 ensures that workers will receive a paycheck that clearly explains any deductions in pay, and the amount deducted.

Workers need to understand how their wages are allocated and processed, but currently many paystubs are deliberately opaque. By requiring employees to provide a plain language explanation of their paycheck deductions, workers will have a better understanding of their finances.

This is a good bill and should pass.
