

Submitter: Tiffany

On Behalf Of:

Committee: House Committee On Business and Labor

Measure: HB2556

To the Oregon Legislature:

I am writing to express my support of HB 2556, which will require employers to provide paystubs that explain deductions in plain language. This bill helps workers understand their paychecks and address any incorrect issues with deductions.

Many Oregonians live paycheck to paycheck, and a mistake on their paycheck could mean the difference between making rent or not. With paycheck readability, workers can better understand and advocate for fair and correct wage allocations.

Please pass this bill!

Thank you for your consideration on this important matter.
