Committee: House Committee On Business and Labor

Measure: HB2556

To Legislators:

Please SUPPORT HB 2556. This bill would require deductions on paystubs to be explained in plain language. By making paystubs more readable, HB 2556 makes it easier for employees to identify errors in their paychecks.

Workers need to understand how their wages are allocated and processed, but currently many paystubs are deliberately opaque. Requiring a transparent paystub allows employees to understand where their wages are going.

This is a good bill and should pass.
