

Submitter: Cathye Curreri
On Behalf Of:
Committee: House Committee On Rules
Measure: HB2694

To: The Panel of the House Committee On Rules:

I strongly opposed this change to Oregon voting laws!

Children are currently under too much societal pressure.

SAY NO to our young people being the target of political advertising and manipulation.

SAY NO to ballot harvesting in our schools.

SAY NO to robbing childhood, and instead burdening our kids with adult responsibilities.

Please - allow our young people to be children and adults be the adults.

Thank you -

Cathye Elizabeth Curreri
