

Submitter: Larry Reeves

On Behalf Of:

Committee: House Committee On Rules

Measure: HB3206

I oppose this bill. In my opinion, very few children in this age group are mentally prepared to make quality decisions that will affect the lives of other children. The development of the ability to discern consequences is very limited at this age. Stop and think about it. What were you thinking about at 17 years of age?

Please say No on HB 3206.
