

Submitter: Shelby Osborn

On Behalf Of:

Committee: House Committee On Rules

Measure: HJR20

I oppose lowering the voting age from 18 to 16. Society has created a culture that puts teenagers in a stereotypical box that many (not all) have conformed to over the last 5 or so decades. The gap between childhood and maturity has grown significantly reducing a teenagers ability to make sound decisions for serious political matters. In my opinion, this needs to change before 16 year olds should be voting.
