

I OPPOSE [HB 2694]...The Chinese Military Planners are laughing at us.

From The "Summary: [HB 2694] Permits person who will be 17 years old on date of primary election and 18 years old on date of general election to vote at primary election for candidates of major political party with which person is affiliated if major political party has adopted rule to this effect."

The United States of America produced the "finest generation" of any time on the earth.

Oregon once had the finest schools in the nation.

Now it's a free-for-all; crime is everywhere, schools are rapid decline, illegal drug use is rampant and kids are getting closer to vote.

Will their parent's have to sign a "permission slip" so their kids can vote?" Will County Clerks be required to validate the "permission slips?"

The stinking socialists, Marxist-Democrats are destroying our Nation.

[HB 2694] is another complete waste of time and money.

*****The authors of Legislation of [HJR 20], [HB 2694], and [HB 3206] should be impeached for failure to do their jobs in a competent manner.**

David S. Wall

Mr. Oregon Concur...I have "No" kind words for those involved with **[HJR 20], [HB 2694], and [HB 3206]**.
