On Behalf Of:

Committee: House Committee On Economic Development and Small Business

Measure: HB2505

My name is Ron and I'm writing to urge you to oppose HB 2505, a sales tax that will decrease consumer choice by financially pressuring small businesses. In Jackson County where I live I can trust that cannabis products are tested, labeled, tracked and legal. I'd like these things to continue to be true!

Please oppose any sales taxes or tax increases. It's just not the Oregon way.

Thank you.
