

Submitter: Charles Booth
On Behalf Of: Self
Committee: House Committee On Rules
Measure: HJR20

You have to be 21 to smoke, drink and buy firearms. It is quite obvious this is nothing more than an attempt to pad Democrat votes. This is inexcusable and while you demand people be 21 to make responsible decisions you make an exception to vote? This is just plain dishonest and about as low as it gets. Who ever wrote this legislation is beyond corrupt and has no business in office. Just no!
