

Submitter: Neil Wyenn

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure: SB422

I urge you to support SB422. I have been riding motorcycles since 1968 on the street. Until 2019 when I moved to Oregon, most of that riding was in California where traveling between lanes of traffic is permitted. I rode on the freeways, highways and city streets on a regular basis. I found that not being a sitting duck for a rear end collision by splitting lanes was way safer than the alternative. I urge you to vote in support of SB422.
