

Submitter: John Metzger  
On Behalf Of:  
Committee: Senate Committee On Judiciary  
Measure: SB422

I'm a motorcyclist and support this bill and lane-sharing in general. I know there will be people who will use it responsibly, and those who won't. But with the right education of proper and safe usage, this bill will be a huge success. Those of us who use it properly can help curb the idiots!
