

Submitter: Kathy Bishop

On Behalf Of:

Committee: House Committee On Economic Development and Small Business

Measure: HB2199

I submit my support for the continuation of the Enterprise Zone Program on behalf of Jireh Semiconductor, Inc. This Program has provided us with a financial savings which has helped fuel our ability to do business in Hillsboro. The continuation will help us in our future plans to grow as well. We appreciate your consideration for the continuation of this important program.
