

Submitter: Eric Dolan

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure: SB422

I am a seasoned motorcycle rider of over 45 years on our highways. I've spent many of these in Ca. in heavy traffic where lane splitting is legal and safe with no accidents or close calls while lane splitting however I have seen motorcycles get hit from behind in heavy traffic both in Oregon and Ca. Please help keep traffic flowing safe and smoothly for all of us on the road by passing SB422. Thank You, Eric Dolan
