

Submitter: David Ganslein  
On Behalf Of: Concerned Motorcyclists Coalition  
Committee: Senate Committee On Judiciary  
Measure: SB422

I'm a 50+ year motorcyclist and I support lane sharing.  
Many times, I've found myself stopped in traffic on an urban highway with vehicles bearing down on me at great speed.  
Do they see me? Will they stop?  
It's a frightening feeling.  
Please offer a do-pass recommendation.
