

Submitter: Nick John

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure: SB422

I am a motorcyclist. Please support SB422. I ride an air cooled motorcycle. I have already had an issue in stopped traffic last year due to bike overheating. It was a scary situation having my bike shut off, & not able to easily push off the road. If I was able to legally move through traffic, I believe that would have made it safer then a stopped bike in the middle of the freeway.

Thank you for your time.
