Committee: Senate Committee On Judiciary  
Measure: SB422

Hello,

To start here is my motorcycle history. Both my dad and step dad rode motorcycles on the street and they would take my brothers and for rides ever chance we would get. I started riding dirt bikes when I was 12(im 52 now), and I had my motorcycle endorsement 2 weeks after my driver's (at 16 years old). I have 3 sons, and they all ride.

I want you to vote in favor of SB422. I believe this is a very safe way to reduce traffic and keep motorcyclists safe in heavy traffic. With my son's riding motorcycles on the street, I am very aware of the dangers, and this is why I would like you to vote for SB422.

Thank you for your time,  
Frank Thrasher
