RE: Letter of Support – Extending Sunsets for Oregon Enterprise Zone Tax Abatement program

Dear Senate Committee on Finance and Revenue,

Sunriver Brewing Company, LLC strongly supports SB 134, HB 2066 and HB 2199, which collectively extend the sunsets for the Oregon Enterprise Zone program.

The last few years have been particularly difficult for our industry, and we rely on these kinds of programs to support the growth of our business. Our hope is to continue investing in Central Oregon and the extension of the Enterprise Zone program is an important factor for us.

The current bills – in both Senate and House presented this session – to extend the Oregon Enterprise Zone programming is a top priority for Sunriver Brewing Company. We hope you will join us in supporting the extension of this important tool.

Respectfully,

Karin Devencenzi
