Committee: House Committee On Business and Labor

Measure: HB3183

SUBJECT: YES for House Bill 3183 to protect employees

MESSAGE: Dear lawmakers,

Please accept this as a statement of support for House Bill 3183, protecting cannabis workers' labor rights. The agreements described by the bill help protect workers' collective bargaining rights, allowing them to choose — without employer interference — whether they want to form a union.

Cannabis workers are often subject to harmful practices inflicted on nonunionized workers in other industries: low wages, few workplace benefits, unprotected statuses as contract workers, and erratic scheduling. Protecting workers' collective bargaining rights as we develop this industry is the best way to ensure cannabis jobs are good jobs.

This is a good bill and should pass.
