

Submitter: Stephen Ford

On Behalf Of:

Committee: House Committee On Business and Labor

Measure: HB3183

SUBJECT: YES for House Bill 3183 to protect employees

MESSAGE: To the Business and Labor Committee:

I refuse to believe that Oregon's government is so degenerate that it might deny laborers the right to bargain collectively. That's no world I'd ever want to live in.

I hope you will vote YES on HB 3183, which will help protect cannabis workers' rights in the workplace. HB 3183 ensures that workers in the cannabis industry will be able to make their own informed decision as to whether to join a union, without undue influence.

Without clear federal protections, workers often face low wages, poor benefits, unprotected statuses as contract workers, to say nothing of the safety hazards! As we develop this industry, we need to ensure cannabis jobs are good jobs. Protecting workers' labor rights is the best way to do that!

Thank you for your time. Please pass this legislation.
