

Submitter: Zackary Wright

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure: SB422

As a motorcycle rider who's ridden in Thailand I understand the importance of having motorcycles be able to lane split. Motorcycles there are given priority over cars.

I think lane splitting is a good idea if properly used. Such at red lights motorcycles should be able to ride to the front of the line.

Having to stop behind a car in stand still traffic is very dangerous.
