County forest Lands:

I fully support SB 795 which returns county lands back to the counties. We have our own Coos County Forestry Department which manages 17,000 acres. We can certainly improve the management of the 7,244 acres of forest Trust Land in our county by turning back the land to our Coos County Forestry Department.

Harvest receipts on 7,244 acres of Trust Land in Coos County

2014	\$	0.
2015	\$	0.
2016	\$	0.
2017	\$	0.
2018	\$	54.
2019	\$	0.
2020	\$	35,878.
2021	\$	124,589.
2022	\$	212,123.
2023	AOP planned sales	\$ 0.

This amount of harvest on 7,244 acres of Coos County Trust Land is unacceptable. Our own forestry department produces \$4,000,000 to \$6,000,000 per year on 17,000 acres.

I fully support the return of Coos County Lands back to the county. We are in desperate need of jobs and county revenue. Our county wide property tax doesn't even support our jail let alone the other general fund departments.

Sincerely,

Bob Main
Coos County Commissioner
