On Behalf Of:

Committee: Senate Committee On Human Services

Measure: SB610

My name is Shania Cruz Sierra and I live in Tillamook, Oregon. I am writing in support of Senate bill 610, Food For All Oregonians which would ensure all people throughout Oregon regardless of immigration status, to have access to the food they need to keep them and their families healthy.

Why I support this bill is because our community has been struggling with food support and my family at one point in my life used some sort of food support to provide food for me and my family. And I would want others to have that support as well.

So I support this bill because I know people all throughout Oregon are having issues. But Food For All Oregonians would take an important step to make sure immigration status no longer drives hunger and poverty in our communities.

Thank you, and please vote yes for this bill!
