

Submitter: Jason Mershon

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure: SB422

Born and raised in Oregon, but in my 7 years as a Californian, the ability to occasionally lane share was a godsend.

I believe it kept me safer, got me there quicker, and cleared the roads of me, rather than me taking up the space of a car and adding to the traffic jams.

I strongly support responsible lane sharing. Lets do this!
