

Submitter: Allen Postell

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure: SB422

Hello my name is Allen D Postell we need this bill to pass it will prevent my motorcycle from running hot on the freeway doing traffic jams it will prevent me pulling over and putting my life in danger while I wait for my motorcycle to cool down on the side of the freeway with cars passing at high rates of speed scaring the living hell out of me please do the right thing
