Committee: Senate Committee On Housing and Development

Measure: SB603

We cannot throw money at every single issue that comes up. Oregonians are being taxed to death. There are jobs available for those who want to work. If we give \$1,000 a month to those who are homeless, it will not improve our living situation in Oregon. The homeless will simply have \$1,000 more each month to blow on drugs and alcohol while taxpaying citizens get poorer and watch our streets and parks deteriorate. Vote "NO" on SB 603.
