

Submitter: jon howard
On Behalf Of: EMTs and Paramedics
Committee: Senate Committee On Judiciary
Measure: SB422

I support SB422 with regard to "lane sharing" and "filtering" for motorcyclists. Passage and ratification of SB422 will, in time, greatly reduce the number of motorcycle crashes, and will almost immediately alleviate a fair percentage of "rush hour" congestion. Some of the highest population -dense states allow lane sharing with great success, there is no good reason why Oregon shouldn't as well.

I am a motorcyclist, and I vote. Please support SB422.
