On Behalf Of:

Committee: Senate Committee On Housing and Development

Measure: SB601

Dear Committee Members,

Please support this important step in opening opportunities for homeownership for lower income demographics. We take for granted that lower income housing means rental housing. Through my development of the C Street Co-op in Springfield, Oregon in 2021, I have personally witnessed the empowerment homeownership opportunity can provide to those who never thought it possible. This bill is a no-risk opportunity to begin to open doors to homeownership for thousands of Oregonians in this way.

Sincerely,
Dylan Lamar
