

Submitter: Josie Alexander

On Behalf
Of:

Committee: Senate Committee On Veterans, Emergency Management, Federal
and World Affairs

Measure: SB776

NO to SB 776

Let me get this straight. We have 5 Oregon black men who are state ELECTED by the people officials who want reparations.....because of past racism? Fortunately currently there is no such thing as systemic racism as evidence by 5 Oregon black men who are state ELECTED by the people!! Nope, this is a waste of time.
